LETTER FROM THE CEO

It is hard to believe that 2017 is already in the history books. It was a year full of events for all of us here at Laneco Federal Credit Union.

We started the year with our newly expanded community charter allowing us to serve anyone who lives, works, worships or is educated in Lane County, Oregon. While we are now able to accept more members we still remember the groups that started us and have kept us strong and growing since 1958.

We celebrated these groups and much more at our annual meeting held in June. The annual meeting was another fun day for all of us here at the credit union. We held our business meeting in the morning and had a open house the entire day. At the meeting we awarded our Laneco Federal Credit Union Scholarship to Daniel Rogers, This \$500 scholarship is given to the winning high school senior to use for tuition, books and/or living expense as they begin their college education. We want to congratulate Daniel and hope that is he doing well.

As we begin 2018 we are once again in search of loans. Rates are still low and purchasing a new or used car is very affordable for members. We want to be your first and only choice when it comes to financing your vehicles whether it is a new or used car, truck, trailer, ATV or motorcycle. We will always take the time to work with you on a quick and easy pre-approval so you know your budget and are an informed buyer. We love seeing our members enjoy their vehicles and get great rates and reasonable terms.

We are looking for another challenging year here at Laneco and are working on some projects that will benefit our membership. Watch for our new and improved website to appear soon and be on the watch for information on how you can volunteer to assist the credit union. We are looking for members who are willing to volunteer their time with projects designed to assist the credit union in growing.

Please rest assured that we have no intention of getting big and impersonal. We will always hold true to our motto of Small in Size, Big on Service. We need to grow to stay viable as an independent credit union but we don't want to lose touch of our family. Because we believe it when we say "Here you are family."

We want to wish all of you a prosperous 2018 filled with joy and good health for yourself and your financial situation.

Manager/CEO

KEEP YOUR VALUABLES SAFE

Don't fall victim to a crime. Remember to keep your valuables safe at all times. We don't just mean your property but we mean your personal information, credit and debits cards and yourself. Identity theft and card fraud are more than inconvenient they are costly to repair. A couple of easy steps to beef up security. 1) Shred any documents that contain your personal information versus throwing them in the trash. 2) Keep track of all your cards (debit and credit). 3) Review your activity to stop fraud quickly. 4) Notify the credit union when you are traveling. 5) Update your cell number with the credit union so we can send you a text message if we suspect fraudulent activity on your card. 6) Respond to our text messages immediately. 7) Keep alert and aware of your surroundings at all times.
