

COMING SOON - ONLINE BANKING IS TAKING ON A NEW LOOK

Your online experience will be getting better soon. We are brightening up the site with a new look but keeping all the great features you now have.

Some of the NEW features you will have access to are:

ALERTS AND SECURITY: You will be able to send any alerts to your cell phone in addition to the e-mail you have on file with us.

FORMATS: You will have a choice in how you view your account balances online. You can choose between a “tile” which is a boxed view, or “list” view that is currently the only one available.

The log on page will be familiar and use the same login id and security code:

Log On

Logon ID: <input type="text"/>	First time user? enroll in online banking
Security Code: <input type="text"/>	Forgot security code? reset security code
<input type="button" value="LOG ON"/>
